DSCF STANDARD MAIL LOAD LEVELING

Docket No. N2014-1

**UNITED STATES POSTAL SERVICE NOTICE OF FILING LIBRARY
REFERENCES AND APPLICATION FOR NON-PUBLIC TREATMENT**
(February 19, 2014)

In accordance with Rule 31(b)(2), the United States Postal Service provides notice today that it is filing the following public and non-public Category 4 library references in Docket No. N2014-1:

USPS-LR-N2014-1/18 Capital Metro District Operations Test Results
(Revised) Data Responsive to POIR 1 Question 3

USPS-LR-N2014-1/NP8 Capital District Data Responsive to PR/USPS-T1-18

USPS Library Reference USPS-LR-N2014-1/18 provides supplemental information responsive to Question 3(d) of Presiding Officer's Information Request No. 1 pertinent to the Load Leveling test at the Curseen-Morris and Southern Maryland plants in the Capital District. The library reference applies the analysis of delivery operations reflected in USPS-LR-N2014-1/17 to Capital District delivery operations affected by the Load Leveling Operations Test.

USPS Library Reference USPS-LR-N2014-1/NP8 provides information responsive to the Public Representative's request (PR/USPS-T1-18) for data generated by the Load Leveling Operations Test underway at the Curseen-Morris and Southern Maryland plants in the Capital District. The data are presented in the format used for reporting South Jersey Operations Test data in USPS Library Reference N2014-1/NP3.

The Postal Service regards facility-specific daily USPS Management Operating Data System (MODS) volumes and workhours data to be commercially-sensitive and proprietary information that should not be released into the public domain. Accordingly, it is providing the USPS Library Reference N2014-1/NP8 as a non-public library reference. An application for non-public treatment of USPS Library Reference N2014-1/NP8 information retrieved from MODS is attached to this Notice. See Attachment 1.

The Postal Service also regards facility-specific daily Delivery Operations Information System (DOIS) volumes and workhours data to be commercially sensitive and proprietary information that should not be released into the public domain. Accordingly, it is providing the USPS Library Reference N2014-1/NP8 as a non-public library reference. An application for non-public treatment of USPS Library Reference N2014-1/NP8 information retrieved from DOIS is attached to this Notice. See Attachment 2.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
